- ✓ Gergaon - 27th April

LITERACY

We have been practicing our letters sounds for s, a, t, i, p, n and will be moving on to Jolly Phonics group 2 (ck, e, h, r, m, d). We will also be introducing blending the first group of letters together to create words. The children have been putting meaning to their drawings and enjoy telling their stories as drawing some beautiful pictures.

Can you believe it is already the end of Term 2!? Seriously, where is the time going?

This month we welcomed back the children from virtual and I have to say, every single one of them did fantastic settling back into the routine, it was as if they had never left.

This month has been a really busy one for us. We've celebrated UK Mother's Day, St. Patrick's Day, Bahrain Mother's Day, Easter and enjoyed a splash day.

We've welcomed some new friends, Giovanni and Kayel. The children have done a fantastic job welcoming them to the Creators family.

UNIT OF INQUIRY

How the World Works.

We will continue on our unit of Inquiry and explore space in more detail. The children will be making their own planets and solar system. Learning about what makes each planet different included our own planet, Earth.

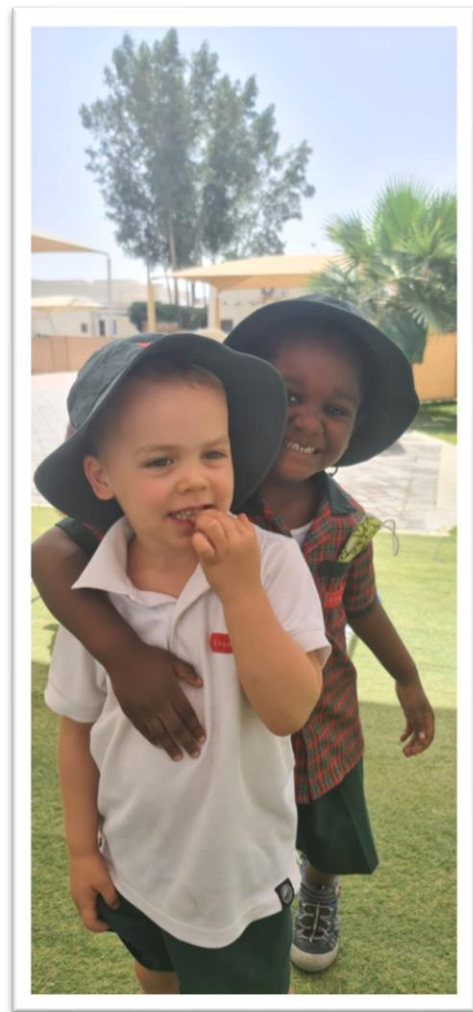

MATHS

The children will be working on counting backwards and forwards from 1-20 and learning what the difference is between 2D shapes and 3D shapes.

ARABIC

We got to recognize the letters د ذ ر ز. And we can define some things that start with each letter. We are familiar with our five senses, the parts of the face and the body, and we love doing physical movements. We celebrated Mother's Day on the 21st of March and made a wonderful Mother's Day greeting card.

REMINDERS

Weather:

As it is getting hotter each day, please remember to put sun cream on your child before coming to school. A hat is a must with the weather right now, and, unfortunately if they do not have a hat, they won't be able to play outside.

Pick up time:

Again, due to the weather being too hot for the children to be outside, we will move down to the art room at 12:30pm for pick up.
